

REMARKS

The objection to claims 9 - 11, 14 and 15 and the indication that such claims would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims is acknowledged. By the present amendment, claims 1 - 8, 12 and 13 have been canceled without prejudice or disclaimer of the subject matter thereof and claims 9 - 11 have been rewritten in independent form incorporating the features of parent claim 8 therein, while claims 14 and 15 have been rewritten in independent form incorporating the features of parent claim 12 therein, it being noted that the features of claim 12 have been amended to recite that "said reject box is disposed below said temporary box" as illustrated in Figs. 30A-30C, for example, thereby overcoming the rejection of claim 12 under 35 USC 112, second paragraph and claims 14 and 15 should be considered allowable, as amended.

In view of the above amendments and remarks, applicants submit that all claims present in this application should now be in condition for allowance and issuance of an action of favorable nature is courteously solicited.

To the extent necessary, applicants petition for an extension of time under 37 CFR 1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to the deposit account of Antonelli,
